The show will be held at the Carson Valley Inn in a ballroom with an entrance to the hotel lobby, assuring that every guest will have an opportunity to walk through the show and its exhibits. This will be a most unusual antique barbed wire and collectibles show and we expect a lot of visitors who will want to bring some historical barbed wire and Western collectibles home with them! Those attending our show here in 2017 and 2018 remember that there were a LOT of visitors!

With expected temperatures of near 70° and great weather, the Carson Valley and Reno areas draws a lot of visitors to the nearby ski and fishing areas, the state capitol at Carson City, the gaming and entertainment hotels of Reno and historic sites and museums.

Reservations for our catered Awards Banquet are required, so RSVP early!
