Dear Sir:

In reply to yours of Aug. 7th, the usual form of explanatory note, in such cases as you mention are as follows:-

"The above field notes do not describe the conflicting claims as they are staked upon the ground, but as they are patented in compliance with the letter of the Hon. Commissioner of the General Land Office, dated June 17th, 1899."

Your Sur. No. 15112, is about ready to file.

Yours very truly,

C.T. Pease (signature)
